Show us what you've got... Donate to the 2nd Annual Silent Auction!

One of the most visited sections of the Business-to-Business Showcase is the silent auction. Hundreds of people filter through to see the goods donated by local businesses and bid on the items they want the most.

The Chamber's Business Showcase Committee would like to invite you to participate in this very special event by donating your items to this year's silent auction. All contributions raised from the auction will benefit the Chamber New Home Campaign and your help is needed to make it a success. Please consider contributing an item to the silent auction. The item can be donated by you, your employer, or both. Items should be new with a minimum value of \$25. Some items that have sold well at past auctions include: gift baskets, gift cards/certificates for products or services, tickets to performing arts or sporting events and lodging packages.

If you are interested in donating to the 2007 Business Showcase Silent Auction, please contact Donna McLelland at the Chamber office, 603-524-5531.
